DANDE VENKATA TRIVENI

Email:trivenidande@gmail.com | **Phone**: +91-6302666697| **Linkedin** | **Geeks-For-Geeks** | **Leetcode**

Education

Vignan's Lara Institute of Technology and Science	**June 2019 - June 2023**

- Bachelor of Technology (B.Tech) in Computer Science and Engineering| CGPA:**8.4** (upto 3-2)

T.J.P.S College	**June 2017 - April 2019**

- Class XII - MPC, Ap Board| CGPA:**9.59**

Sri Sai Vidya Niketan School	**June 2016 - April 2017**

- Class X, Ap Board/ CGPA: **9.3**

Skills

- ➤ Programming Languages : C++ | Python
- ➤ Web Development : Html | Css | Javascript
- ➤ Data Structures and Algorithms

Projects

Online Voting System| (source code)	**Dec 2022 - Feb 2022**

- ➤ Objective is to design and implement a voting sytem inorder to conduct voting in online mode in college level.
- ➤ I designed Admin and dashboard page in which students can vote to the respective candiadtes.
- ➤ Developed using **Html, Css, Javascript, Php and Mysql.**

**Food Receipe Finder	(source code)**	**March 2022 - April 2022**

- ➤ Objective is to design and implement a **responsive dynamic website** which display the different kinds of receipe of a particular food item which are specified by the user.
- ➤ Fetches calories, diet labels and health labels data from **Receipe Search API**.
- ➤ Developed using **Html, Css and JavaScript**.

**Depth First Search (DFS) Visualizer	(source code)**	**Oct 2021- Nov 2021**

- ➤ Objective is to visualize the Depth First Search algorithm on a maze.
- ➤ It will print the path from starting point to ending point in a maze which follows DFS algorithm.
- ➤ The path takes either of the 4 directions (North, south, East, West) at each step.
- ➤ Developed using **Python**.

Achievements

- Secured **Rank 2** at GeeksForGeeks in college level.
- Secured **rank 2/300** in college level coding competition.
- Got **Elite+Silver** certificate in Social Networks Nptel Course.
- Certified by Hackerrank in Problem solving.
- Achieved PET certificate from **Cambridge University**

Courses

- Python course from Sololearn.
- Web development course from Devtown.

Personal Information

- Fathers Name   : Dande Adi Narayana Rao
- Date of Birth   : 11-06-2002
- Permanent Address : D.No- 81-2-227, Nallacheruvu, Guntur, A.p, India
- Hobbies   : Travelling,listening music.
